- **Divine Sense** — Explains that Divine Sense detects celestials, fiends and undead, then asks to use it to detect her children. BE E2 00:10:20, BE E2 00:10:26
- **Rabbit Hop and Divine Smite** — Uses the Harengon feature Rabbit Hop as a bonus action to jump 10 feet to the bear's heart and attack it; Divine Smite; 10, 17 plus four, 21 points of damage. BE E2 00:46:38, BE E2 00:48:53
- **Primal Savagery** — Says she will use Primal Savagery on the attack. BE E2 00:48:05
- **Rebuke the Violent** — Reaction against the bear: deafened and grabbed by parasitic worms, Tula yells knock it off, and the DM says the bear just took a bunch of damage. The line at 01:04:40 is labelled Jasper, but it is Tula's reaction. BE E2 01:04:45, BE E2 01:04:47
- **Lay On Hands into the heart** — Puts five Lay On Hands points into the bear's heart to cure disease; Charisma check 4. BE E2 01:28:37, BE E2 01:29:33
- **Lay On Hands points shared** — Gives one Lay On Hands point each to her sister and her husband. BE E2 01:45:52
- **Natural 20 on Investigation** — Brennan says he hit a natural 20 for 19 and treats it as a 19, not a crit; the DM says some at the table do not respect crits in this house, that is not her, and then reads it as a natural 20 for a total of 19. BE E4 00:03:56, BE E4 00:03:59
- **Emissary of Peace** — Uses Emissary of Peace, which gives a plus five to persuasion checks, and spends inspiration: rolling plus nine, a 19. BE E5 01:19:39, BE E5 01:20:18
- **Empathic feat** — Uses the Empathic feat: Insight against deception, and if the check succeeds she has advantage on attack rolls; a 14 insight opposed by the Pope's deception. BE E7 00:22:01, BE E7 00:25:35
- **Guidance** — Gives her sister the Help action and casts Guidance (a d4) on her Arcana roll, her new cantrip. BE E7 00:16:10, BE E7 00:16:29
- **Plus one to nearby family (aura)** — Says a plus one from her for Thorn, Jaysohn and her mother near her; the name of the feature is not said. BE E7 00:43:05
- **Natural 20 on Speaker** — Attacks Speaker: a nat 20 and a 17; the DM says she hates when a paladin crits and asks for a description instead of damage. BE E7 01:30:32, BE E7 01:30:35
- **Revenant** — The DM says, in an Arcana reading by Lila, that Tula's heart beats because the Blue makes her heart replicate a heartbeat, and that both Tula and Ava are revenants. BE E8 00:06:35
- **Fails the save; under the command** — As a revenant she fails the DC 20 Wisdom save: 16 with advantage from Thorn's speech, and the Bless d4 needed a four and failed (the transcript describes a one; no speaker says the number). She hears the dual-voiced order to kill them all. BE E10 00:43:41, BE E10 00:43:49
- **Attacks Jaysohn under the command** — Attacks her son: Brennan says Nat 20 (his own call, not confirmed as a crit) and asks whether a 30 hits; the DM, who is voicing the command, says only Jesus and never calls it a crit. A second attack of 25, which Siobhan confirms hits; Spiritual Weapon as a bonus action with advantage, Divine Smite, 67 points of damage, leaving Jaysohn 14. BE E10 00:55:58, BE E10 00:55:59
- **Shakes the command** — Wisdom save: 21, and I have a 30, against the DC 19; she comes to. BE E10 00:57:58, BE E10 00:58:02
- **Epilogue: one big family** — Brennan's epilogue: Tula says they will all stay here and be together as one big family. BE E10 01:41:07
